IBIKE-3-M

INDUSTRIAL BICYCLES

IBIKE-3-HH

Meet the growing needs of business and industries with these tough and rugged three wheel cycles. Built with rider friendly features and the ability to handle all types of loads while moving through a facility with ease and efficiency. Features a cargo platform, model IBIKE-3-HH, or a wire basket, model IBIKE-3-M, for transporting boxes and crates of material.

ADULT SCOOTERS

SCOOT-500

Get where you need to be quickly by riding this manually powered Scooter. Sturdy foot rest includes a rear brake, that when pushed, safely stops the Scooter at you destination. Fixed height handle bars control front wheel maneuvering through narrow aisles and doorways. Also includes a 14"L x 18"W front platform for crates, boxes and other small loads. Rolls on high performance polyurethane wheels. 250 lb. capacity. Ships unassembled.
