Serrated Style

Model - AHW-L-2424

These Work-Mates are built lightweight and affordable. To adjust the legs to the desired height simply screw the legs in and out and the platform is ready to work. Serrated platform provides positive traction for wet environments. Units painted Royal Blue. Larger size platforms may require more screws for support.

Serrated Step Style

Bring the worker up to the optimum working height with an economical platform. Serrated surface provides maximum traction even in wet applications. Lowered step height may be adjusted from 7" to 11". Upper step is 7" higher than lower step.

Serrated Step Style

• ADJUSTMENT 9" TO 14" •

MODEL NO.	STEP SIZE	WEIGHT
ASP-24	12"W x 24"L	28 lb.
